Presenting Our 42nd Season!

After nearly two years, NMYA is excited to present a season of stage productions again! Our 42nd season includes three brand new productions and a classic reprise.

Charles Dickens' classic novel will be at the KiMo Theatre as *The Musical Adventures of Oliver Twist*, November 18—22. Enjoy the beautiful story of the triumph of love over evil with an original score by Scott DeTurk.

Our fall play is *Treasure Island*, based on another classic novel, this time by Robert Louis Stevenson. The script is by Joseph George Caruso and includes Long John Silver and all of his famous pirate lore. On tour and at the North 4th Theater, November 29—December 4.

In the spring of 2022, we will revisit our productions of *Mary Poppins, Jr.* and *Robin Hood*, both of which were canceled in 2020 due to the global pandemic. *Mary Poppins, Jr.* is at the KiMo, April 20—24 and *Robin Hood* will be on tour and at the North 4th Theater, May 2—7.

Make plans now to attend these family-friendly productions in 2021-2022!
